MORMUGAO PORT TRUST TRAFFIC DEPARTMENT

TM/196/2016/613

Date: 29.11.2016

TRADE NOTICE

As an enabling step towards ease of doing business and to facilitate expeditious gate clearances, MPT will be implementing Radio Frequency Identification Devise (RFID) based access control in the entire Port area with effect from 15.12.2016. Towards this end, the Port is in the process of issuing RFID based Harbour Entry Permits (HEP).

Effective from 15.12.2016, request for the issue of Harbour Entry Permits shall be only through a secure and user friendly web based portal (visit https://mptgoa.com and click "Gate Access" tab in the Main Menu). The authorized Port Users (Agents) may choose "MPT/SAP/EP/Portal" in the drop-down menu under Gate Access tab. The private visitors and the visitors sponsored by an organization/institution/school/college/Government Agencies, etc., may choose "VISITOR PASS" tab under Gate Access on the Main Menu.

You are requested to kindly visit the website link and acquaint with the method of obtaining the Harbour Entry Permits.

The proposed fee structure for the issue of different kinds of HEPs is enclosed as Annexure-I and shall be applicable for the issue of all new passes.

This circular supersedes all the earlier circulars on the matter of above.
