Ref: Pre-Bid Meeting held on 18-4-2016

The following corrigendum is issued against our **Tender No: MD-RC-2016-002** for supply of Medicines.

1. **Sample of Medicines** : During the Pre-bid meeting held on 18-4-2016 the bidders have brought to the notice of the undersigned that, it is not feasible for them to furnish sample of each medicine at the time of submission of tender. However, they can furnish the samples latter on during the process of tender, if required and requested to re-consider this issue.

**Based on the request of many regular suppliers, it is decided that, the Bidders can furnish the sample on demand for verification during the process of technical scrutiny, only in case the same is required by the technical scrutiny committee.**

2. **Submission of documents**: All the bidders are requested to note that, while submitting the **Off line documents** as mentioned at **Annexure-C** , in case, bidders are quoting for the product of more than one company, they should prepare **a separate case files for each company** with all the necessary documentations including authorization letter, failing which their documents will not be accepted.

All the bidders are requested to take note of the above and furnish their offer accordingly.
