

TECHNICAL SPECIFICATIONS

Mormugao Port Trust intends to procure new 50 Tons and 60 Tons capacity of mechanically/hydraulically operated, rough terrain, tyre mounted mobile cranes.

The vendor must furnish the budgetary quotation for Design, Supply, Manufacture and Commissioning of the above cranes, indicating therein detailed technical specifications, dimensions, capacities, load details, operating radius, safety features, etc.

The cranes should be of TIL, ACE, Liebherr, Voltas or Escorts make only.

The quotation should clearly indicate terms and conditions, validity of offer, delivery period, freight, duties, taxes other than service tax, and other applicable levies, if any. Service tax will be paid extra as applicable.
