Date: 06.08.2018

TRADE NOTICE 12/2018

Sub: Non-Compliance with the conditions of Environmental Clearance – req.

Ministry of Environment, Forest & Climate Change (MoEFCC), Regional Office, Southern Zone, Bangalore, vide their letter no.F.No.EP/12.1/26/Goa547 dated 26.07.2018 (copy enclosed) have noted complaint of local Fishermen Association about certain non-compliances of environment clearance conditions. MoEFCC has also cautioned that in an event of non-compliance of their directions, they will initiate stringent action against the Port.

Trade fraternity is therefore advised to exercise extreme care in handling the dusty cargo by using equipments available with the Port pollution control. Trade is also advised to immediately cover all cargo lying in open, by using tarpaulins and to ensure that cargo is not lying exposed.

It is imperative for the Port and Trade fraternity to take steps to mitigate issues arising due to cargo handling and to take pollution control measures during routine cargo handling activities taking place inside the Port area.

Your co-operation is solicited.
