Serving the Nation since 1885
(Ministry of Shipping, Government of India)

TRAFFIC DEPARTMENT

Ref: TM/152/2017/1158

Date: 23.08.2017

TRADE NOTICE NO. 20

Sub: Mandatory use of VCN and IGM Link Facility at PCS

Issuance of electronic delivery order by shipping lines through Port Community System (PCS) is one of the Ease of Doing Business initiatives taken by the Ministry of Shipping.

The receipt of IGM messages from ICEGATE to PCS is very crucial for issuing electronic delivery order without which shipping lines won't be able to issue electronic delivery orders. For such instances when IGM details are not available in PCS, there is a facility to link Vessel Call Number (VCN) and IGM details in 'VCN Link' at PCS, after which shipping lines can issue electronic delivery order.

You are therefore advised to mandatorily use this facility to enter IGM details at PCS after filing at ICEGATE.

TRAFFIC MANAGER

To
President, Mormugao Ship Agents Association }
President, Mormugao Stevedore's' Association } With a request to inform your members
for strict compliance.
