Date :

MORMUGAO PORT TRUST
ENGINEERING (CIVIL) DEPARTMENT

TENDER NO: CE/ 65 /2016

Name of Work : Restorative Repairs to Trusses of T1 Shed in GCB area

1. TENDER NOTICE

1. Sealed tenders in Single Cover System are invited on behalf of Mormugao Port Trust from contractors registered with M.P.T., P.W.D./ C.P.W.D. / Railway, Central/ State Govt. , GSIDC, etc. under Class "B1 and above (of MPT)" for the work of "**Restorative Repairs to Trusses of T1 Shed in GCB area**". The approximate cost of the work is Rs. 3,57,720/-. Unregistered contractors also can apply for tender subject to fulfilling the conditions as stipulated.

2. The tender set consisting of the Tender Notice, Additional Instructions to Tenderers, Special Conditions of Contract, Schedule of Quantities and Rates and Form of Tender may be obtained from the Office of Chief Engineer, Engineering (Civil) Department Mormugao Port Trust at Headland, Sada, Goa on payment of Rs. 1000/- which sum will not be refunded. Additional set can be obtained on payment of Rs. 1000/- (Non- refundable), if desired. The bidding party should pay the cost of the tender document (**non-refundable**) by **Demand Draft** in favor of "**Financial Advisor and Chief Accounts Officer, Mormugao Port Trust** payable at **Vasco-Da-Gama** or by **cash to A.O.(Cash)/MPT/Headland, Sada** at the time of submission of application form and bid documents. The Demand Draft / Cash Receipt in original is to be attached to the tender document.

A printed set (Vol-I) issued to the contractors contains Instructions to Tenders, General and Special Conditions of Contract, General Specifications and forms an integral part of the tender documents.

3. Tender documents will not be sent by Post or Courier Service.

4. The proposed work comprises of :-

- Preparing the surface .
- Providing Rust preventer & Bonding agent
- Providing Micro-concrete .
- Providing Curing Compound .

The work is to be carried out as described in Schedule of Quantities & Rates attached herewith to this tender and as directed at site.

5. The Earnest Money Deposit (E.M.D.) payable in respect of the tender is Rs. 7,200/- (Rupees Seven thousand Two hundred only), and

E.M.D. should be lodged in the form of Demand Draft drawn in favour of Financial Advisor and Chief Accounts Officer, Mormugao Port Trust, payable at Vasco-da-Gama, Goa or by Cash and a cash receipt obtained from A.O.(Cash), is required to be enclosed along with the Tender in originals. In any case, E.M.D. in the form of Cash/ Cheque along with tender will not be accepted.

- a. The E.M.D. and the Tender documents in single covers should be put in separate sealed envelopes and all the three envelopes should be placed in a single envelope properly sealed. The inner envelopes should be separately marked as “EMD,” as the case may be. The outer envelope shall bear the identifications like (i) Tender No: (ii) Description of works (iii) Bidders name and Address and (iv) Due date and time of bid opening. If the envelopes are not sealed properly, Mormugao Port Trust will assume no responsibility for the misplacement or premature opening of the bids submitted.
- b. Bids if not accompanied by the requisite E.M.D. as indicated at 4 above and in the manner described at 4(a) &4(b) above shall be treated as invalid and shall not be opened.
- c. E.M.D. of the Tenderers excepting first three lowest tenders will be refunded to Contractors. Contractors are requested to contact the AXEN(ACCTS), Chief Engineer’s Office, Main Administrative Office, Mormugao Port Trust for claiming such refund along with copy of original receipt issued by this office.
- d. Contractors may submit the following information in-order to refund the EMD's/ Bank Guarantee/Security Deposit/Retention Money, payments of bills etc.
 - a. Name of Bank
 - b. Place
 - c. Account No
 - d. Type of Account
 - e. PAN No.
 - f. EPF No.

No fresh correspondence in this regard will be made by this Port Trust.

- e. EMD of the other tenderers i.e. any two among the first three lowest tenders will be refunded to them only after acceptance of Work Order by successful tenderer and only after lodgement of Initial Security Deposit (ISD) by the same contractor. E.M.D. of successful contractor will be retained towards Initial Security Deposit.
6. Security Deposit: 10% of the value of contract.

- a) Amount to the extent of 5% of the value of contract to be paid in cash or in the form of a Bank Guarantee at the time of acceptance of the tender, as Initial Security Deposit.
- b) The remaining 5% of Security Deposit to be deducted from the running account bills at 10% of each running bill till the entire security deposit of 5% of value of contract is recovered. However, the contractor will have the option to convert the Retention Money so deducted from the bills into acceptable Bank guarantee (s) for like sum(s) at any stage(s) of the work.
- c) The entire amount of 10% of the value of the contract may be paid in cash /Demand Draft / Pay Order or in the form of Bank Guarantee at the time of acceptance of tender.

Note:

- i. The Bank Guarantee of 5% of the Contract Price as Initial Security Deposit will be valid till the completion of the maintenance period plus 3 months for the claims period.
- ii. The Retention Money of 5% of the Contract Price will be released after successful completion of the work and after issue of Completion Certificate by the Chief Engineer.

7. Unregistered Contractors who desire to purchase the tender copy he/she will have to apply for registration and pay 100% of the registration fees. If after the scrutiny of his/her application he/she is found suitable for the class for which tenders are invited, his/her tender will be considered along with other tenders. Otherwise, his/her tender will be not considered.

8. Tenders submitted will remain open for acceptance for a period of 180 days from the date of opening of tenders.

9. The entire work under this contract is required to be completed within **2 (Two months)** from the date of receipt of pre-acceptance letter/ work order or release of site whichever is later.

10. Counter conditions stipulated in completion period by the Contractor will not be considered. Tenders with counter conditions are likely to be rejected summarily without assigning any reasons therefore.

11. Time is the essence of contract Liquidated Damages for delay in completion of work shall be recovered at the rate of 0.5 % of the Contract Price per week or part thereof delay subject to a maximum ceiling of 5% of the Contract Price.

The contract is liable to be terminated if there is a delay of more than 25% of contracted period of completion.

12. The free maintenance period is **1(One) year** for all the works, covered under this contract from the date of completion of the work.
13. Tenderers are strongly advised to inspect the site of work and acquaint themselves with the site conditions and quantum of work involved etc. before tendering. Such an inspection can be arranged in consultation with the Executive Engineer / MRH, Tel Nos: 2594610.
14. The tenderers must not quote counter conditions involving extra expenditure. The tenderers should refrain from sending revised or amended offers after the closing date of the tender. The Chief Engineer reserves the right to reject such offers without assigning any reasons thereof.
15. The original tenders to be submitted should be enclosed in as sealed cover and superscribed "**Restorative Repairs to Trusses of T1 Shed in GCB Area**" and should be addressed to The Chief Engineer, Engineering (Civil) Department, Mormugao Port Trust, Headland, Sada, Goa-Pin: 403804.
16. The tenders complete in all respects should be placed in the Tender Box (marked "Tender No: CE/ /2016") kept inside the cabin of Senior Assistant Secretary, Chief Engineer's Office at Main A.O. Building, 2nd floor, Mormugao Port Trust up to 3.00 pm on due date and opened at 3.30pm on the same date in the presence of such Tenderer's who may wish to be present.
17. The Tenderer's should specifically note that theirs OFFERS SHOULD REACH THIS OFFICE ON OR BEFORE THE DUE DATE AND TIME. OFFERS RECEIVED LATE WILL NOT BE CONSIDERED. TENDERS SENT BY POST WILL BE REJECTED.
18. The Chief Engineer and or Board of Trustees reserves the right to reject any or all tenders received without assigning ant reasons therefore.
19. Unsigned tenders will not be considered.
20. Sales Tax, Income Tax etc. as applicable from time to time shall be deducted from the amount payable to the Contractor at source. Under no circumstances taxes so deducted shall be reimbursed to the contractor.
21. The Contractor should comply with the provision of the Building and Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996.
22. The Tenderer should strictly note that they shall be not allowed to fill in the tender or seal the tender in Mormugao Port Trust premises.
23. Further details can be had from the office of the undersigned at the New Administrative Office Building of MPT at Headland, Sada.

ADDITIONAL INSTRUCTIONS TO TENDERERS

The instructions to the Tenders shall be Instructions to “Tenderers” as modified or added to by the following Additional Instructions to Tenderers which shall be read and construed with the instructions to tenderers as if they were incorporated therewith.

In so far as any of the provisions in Additional Instructions to Tenderers may conflict with or be inconsistent with the instructions to Tenderers the Additional Instructions to Tenderers shall prevail.

1. Sealed tenders are invited in single cover system for work described in the Tender Notice referred to herein before.
2. Earnest Money: No tender will be considered which is not accompanied by the Earnest Money Deposit (E.M.D.) for the sum stipulated in the tender notice which is lodged on the understanding that in the event of the tenderer withdrawing his tender before the expiry of 180 days from the last date of submission of the tender document. (whether or not the submitted tender(s) are opened or otherwise at the time of tenderer withdrawing his tender), the tender shall be cancelled and the Earnest Money (E.M.D) deposited by the tenderer forfeited to the trustees and if the tender is accepted the Security Deposit (SD) mentioned in Para 5 hereinafter will be furnished.
3. Tenderers must fill in the space provided for, in the Schedule of Quantities, Rates in figures as well as in words, they are willing to undertake the work.
4. Tenderer must return the complete tender set duly signed wherever required. Any tender not so signed will not be considered. Alterations to the conditions of contract and specifications will not be entertained.

5. SECURITY DEPOSIT: The Security Deposit shall be 10% of the value of contract.

The Successful Tenderer will be required to deposit the following amounts as Security Deposit for the due fulfillment of the contract.

- a. Initial Security Deposit (I.S.D.) shall be 5% of the Contract Price payable within 7 (Seven) days from the date of receipt of pre-acceptance letter, in the form of Bank Guarantee from any of the Nationalised Bank in the form annexed or Demand Draft/ Bankers Cheque/ Pay Order addressed to FA&CAO, MPT/HL payable at Vasco-Da-Gama, Goa. The Earnest Money (EMD), deposited with this tender EMD will be retained towards part of the Initial Security Deposit. The Contractor will have the option to pay the entire amount of 5% of the Contract Price towards I.S.D in the form of Bank Guarantee. The Bank Guarantee for I.S.D. will be valid till the completion of the maintenance period plus three months for claims period.

Plus

- b. Retention Money (R.M.) equivalent to 5% of the Contract Price and the sum shall be recovered at the rate of 10% of the gross value of work certified under each bill until an amount of 5% of Contract Price is accumulated. The contractor will have the option to convert the Retention Money so deducted from the bills into acceptable Bank Guarantee(s) for the like sum (s) at any stages (s) of the work.

The entire amount of 10% of the Contract price as Security Deposit may be paid in Cash/ Demand Draft/ Pay Order/Bank Guarantee.

The Bank Guarantee to be furnished against above should be from any of the Nationalised Bank having a branch in Vasco-Da-Gama and the Guarantee should be executed by the said Branch.

Unless this deposit is lodged and the Guarantee is furnished within 7 (Seven) days of the receipt of intimation of the acceptance of the tender or such further period as may be allowed by the Chief Engineer in writing, the Earnest Money (EMD) will be liable to forfeiture and 'contract liable to be terminated "and the Tenderer will be responsible' to the Trustees for the damages thereby incurred by them.

Upon successful completion of the works and after issue of Completion Certificate by the Chief Engineer, before the expiry of the period of maintenance, the Chief Engineer and or Board of Trustees shall upon receipt of a written application, refund to the contractor, the said Retention Money of 5% (Five percent) of the estimated cost of the works referred to in sub-clause 5(b) above after deducting there from the amount of Liquidated damages incurred if any and other claims outstanding against the contractor or for breach of contract. The Initial Security Deposit referred to in sub- Clause 5(a) above will be refunded after the expiry of the free maintenance period and as soon as the conditions of contract have been fulfilled and upon contractor making an application therefore, after adjusting estimated / actual expenditure by Mormugao Port Trust for rectification of defects and after adjusting other amounts due if any for breach of the Conditions of Contract.

Note : The amount of liquidated damages expressed in the Tender Notice to be

payable for delay in the performance of the contract has been arrived at on the fair estimate of the amount of loss likely to be sustained by the Trustees as a result (the delay in the performance of the contract.)

6. The entire work comprised in this contract is required to be completed within the period as described in the 'Tender Notice'. No counter conditions as regards to completion period shall be quoted by the tenderers.

7. The Chief Engineer and/ or the Trustees reserve the right to reject any tender without assigning any reasons or to accept any tender as a whole or in part and does not bind himself / themselves to accept the lowest or any tender, No reason will be assigned for the rejection of any tender,

8. If the Tenderers have not carried out any work for the Mormugao Port Trust in the past they shall submit along with, the tender a list of works carried out by them for Government or Public Bodies with their amount showing against each work indicative of its magnitude and their Bankers reference and their Sales Tax Returns.

9. Tenderers should refrain from sending revised or amended offers after the closing date of the tender.

10. Tenderers are strongly advised to inspect the site so that they are fully aware of the nature of scope of the works to be carried out before tendering for the same.

11. Cost of testing of materials will be borne by the Contractor.

12. Tenderers should note the arrangements described in the tender document for prompt payments of bills.

13. The free maintenance period is 1(One) year for all the works, covered under this contract from the date of completion of the work.

14. Further particulars can be obtained on application to the office of the Chief Engineer, Mormugao Port Trust A.O. Building, Headland, Sada, during the office hours.

CHIEF ENGINEER

MORMUGAO PORT TRUST
ENGINEERING (CIVIL) DEPARTMENT

TENDER NO: CE/ 65 /2016

Name of Work : Restorative Repairs to Trusses of T1 Shed in GCB area

ADDITIONAL GENERAL CONDITIONS OF CONTRACT

1. The quantities mentioned in the Schedule of Quantities and Rates are only approximate and the Board is liable to pay for only such quantities of work as are actually executed.
2. The rate quoted by the contractor shall be inclusive of Sales Tax, General Tax, Octroi, Excise Duty, Service Tax, Income Tax etc. and all other incidental charges that the tenderer may have to bear for the execution of the works.
3. **WATER SUPPLY:** The contractor shall as far as practice having regard to the conditions, and provide on the site to the satisfaction of the Chief Engineer's Representative, adequate supply of drinking water and other water for the use of the Contractor's Staff and workmen. The contractor will be allowed to draw water from the nearest MPT source.

Water will be issued by department subject to the availability at site from the nearest available water supply point. The supply rate will be as per prevailing rates.

The contractor may be allowed to bring water from outside in case of Inadequate supply, on the following conditions:

- (a) Contractor will be allowed to bring water from outside at his own cost in all aspects, if supplies from Mormugao Port Trust mains are inadequate.
 - (b) Water charges levied by MPT will be borne by the contractor.
 - (c) In any event, no excuse for delay in completion of work, or no claim of any sort, whatsoever, will be entertained on account of inadequate/intermittent short supply of water.
- 4 **ELECTRIC SUPPLY:** Electric supply will be given and supply point will be indicated by the CME's Department, if required, and the contractor shall provide his own cable from the supply point to the place of work. **However in case it is beyond MPT to provide Electricity the Contractor should make his own arrangements to provide electricity by installing suitable capacity Diesel**

Generators for all works . No additional payment and extension in Project completion time will be considered for non supply of Electricity by MPT.

The Tenderer`s supervisory staff shall be fully experienced in this type of work and all safety precautions should be taken and the work will to be carried out under their supervision.

5. The contractor shall insure plant, machinery and workers employed by him during execution of work and submit necessary insurance policies to the Department.

6(a) Without limiting his obligation and responsibilities under Clause 21 of G.C.C. (Vol. I) The contractor shall insure, at his cost, in the joint names of the Board and the Contractor against all loss or damage from whatever cause arising (other than the Excepted Risks) for which he is responsible under the terms of the contract and in such manner that the Board and contractor are covered during the period of construction of the works and are also covered during the period of Maintenance for loss or damage arising from a cause occurring prior to the commencement of the period of Maintenance and for any loss or damage occasioned by the contractor in the course of any operations carried out by him for the purpose of complying with his obligations under clause 45 of G.C.C. (Vol.I).

(i) The Works and the Temporary Works to the full value of such works executed from time to time.

(ii) The materials, Constructional Plant and other things brought on to the site by the contractor to the full value of such materials, Constructional Plant and other things.

6(b) Such insurance shall be effected with an insurer and in terms approved by the Board and the contractor shall whenever required produce to the Chief Engineer or the Chief Engineer`s representative the policy or policies of insurance and the receipts for the payment of the current premia provided always that without limiting his obligations and responsibilities as aforesaid nothing in the clause contained shall render the contractor liable to insure against the necessity for repair or reconstruction of any work constructed with material or workmanship not in accordance with the requirements of the contract.

7(a) Before commencing the execution of the works, the contractor but without limiting his obligations and responsibilities under clause 22 of G.C.C. (Vol. I) shall insure against any damage, loss or injury which may occur to any property (including that of the Board) or to any person (including any employee of the Board) by or arising of the execution of the works or Temporary Works or in the carrying out of the contract otherwise than due to the matters referred to in the provision to clause 22(1) of G.C.C. (Vol. I).

7(b) Such insurance shall be effected with an insurer and in terms approved by the Board and for at least the amount stated in the Tender and the contractor shall whenever required produce to the Chief Engineer or the Chief Engineer's representative the policy or policies of insurance and the receipts for the payment of the current premia.

8. The Contractor shall insure against accident, injury etc. to workmen with an insurer approved by the Board and shall continue such insurance during the whole of the time that any persons are employed by him on the works and shall when required produce to the Chief Engineer or the Chief Engineer's representative such policy of insurance and the receipt for payment of the current premia. Provided always that in respect of any persons employed by any sub-contractor, the contractor's obligation to insure as aforesaid shall be satisfied if the sub-contractor shall have insured against the liability in respect of such persons in such manner that the Board is indemnified under the policy but the contractor shall require such sub-contractor to produce to the Chief Engineer or the Chief Engineer's representative when required such policy of insurance and the receipt for payment of the current premia.

9. If the Contractor shall fail to effect and keep in force the insurance referred to in the above mentioned clauses hereof or any other insurance which he may be required to effect under the terms of the contract then and in any such case the Board may effect and keep in force any such insurance and pay such premium or premia as may be necessary for that purpose and from time to time deduct the amount so paid by the Board with interest as stated in Vol. I as aforesaid from any moneys due or which may become due to the contractor or recover the same as a debt due from the contractor.

10. The successful tenderer will have to submit within fortnight after receipt of the acceptance Letter a phased programme of execution of different items of works.

11. Permission for working beyond the normal working hours of the Port or on Sundays and Public Holidays as stipulated under clause no.42 of General Conditions of Contract, Volume - I of the tender document will be given to the contractor subject to his agreeing to bear the cost of overtime, if any, which may have to be paid to the Port's supervisory staff.

12. EPIDEMICS

In the event of any outbreak illness of an epidemic nature, the contractor shall comply with and carry out such regulations, orders and requirements as may be made by the Government or the Local Medical or Sanitary' Authorities for the purpose of dealing and overcoming the same.

13. DISORDERLY CONDUCT ETC :

The Contractor shall, at all times, take all reasonable precautions to prevent any unlawful, riotous or disorderly conduct by or among his employees, officers or agents and for the preservation of peace and protection of persons

and property in the neighborhood of the works against the same.

14. FOOTWARE, GLOVES ETC.:

In partial modification of Clause No.31 of the General Conditions of Contract, the contractor shall at his own expenses provide safety equipment, footwear and gloves for all labour employees on all types of work involving the use of chemicals and cement, etc. to the satisfaction of the Chief Engineer or his Assistant.

15. ACCIDENTS:

The contractor shall, within 24 hours of the occurrence of any accident at or about the site or in connection with the execution of the work, report such accidents to the Chief Engineer or his Representative. The contractor shall also report such accidents to the concerned constituted authorities.

16. The contractor and his workers/agents shall be required to obtain from MPT and display a Photo Identity Card during entry, stay and exit from the Port security areas guarded by CISF personnel.

17. All applications for issuance of Photo Identity cards shall be routed through the Chief Engineer, who shall forward the same to the Port's Traffic Department, whose pass section will issue the Photo Identity Card to the contractor or his agents on payment of necessary fees as prescribed from time to time and the same shall be valid for the duration of the contract or a period of one year, whichever is less.

20. Subject to the availability, land for construction of temporary sheds/stores/labour hutments, etc. will be given to the contractor in Port areas. The contractor shall clear away all the temporary structures built within a period of fourteen days after completion of the work and leave the whole of the site clean to the satisfaction of the Chief Engineer.

21. Lease rent shall be charged to the contractors for the area allotted for construction of their temporary sheds for site office/ store /labour hutment's required in the contract works. Licence fees on Port land for maintenance office buildings and other structures at Mormugao Harbour at General wharf level is as applicable.

22. No temporary structures/sheds, which are constructed to house the contractor's office/store/labour hutment's, shall be permitted to be retained during the period of maintenance.

23. If for any reason the entire site cannot be handed over to the contractors, the Contractor shall immediately commence the work in the portion of the site released. If in the opinion of the Chief Engineer, contractor's work is held up or totally stopped due to non-availability of the remaining site, the Chief Engineer

may extend the time for completion of the work by treating non-working period for such days as he shall consider immediately on being informed that the remaining site is available for the work. However no idle time charges for idling of machinery and men will be considered.

24. The portion of Security Deposit due for refund in accordance with the Conditions of Contract, after physical completion of the work, will not be refunded except with the prior permission of the Chief Engineer, unless and until contractor submit the final bill based on joint measurements.

25. The contractor shall make necessary arrangements to remove all the ore spillage over members which are marked for strengthening without any additional cost/charges. The rate for removal of spillage should be inclusive in the quoted rates. All the spillage / debris / kutchra etc. (except the items to be handed over to the Department as mentioned in the Schedule of Quantities and Rates) arising out of this work shall become the property of the contractors and they shall make necessary arrangements to dispose it off at no extra cost to Port Trust. The debris / kutchra etc. shall not be dumped in Port Trust estate. If any of Port Trust debris / kutchra etc. is found dumped in MPT estate, **a fine of Rs. 5000/- per lorry** load will be recovered from the contractor.

26. The contractor should study the work site and adopt adequate construction methodology. Specially for the Trusses which are above ground, the contractor should take adequate safety precautions such as safety belts, suitable safety net and scaffolding where ever necessary for speedy execution of the work. The place of work should be suitably barricaded / marked with flags etc. The contractor should liaise with the Engineers of Mechanical Engg. Dept. regarding the ship loading time, and accordingly its worker from the place of work or operation of the Ship loader. The operation of the Port should not be stalled due to this tender work.

27. In case of excess under any item, the contractor should bring it to the notice of the concerned Engineer in charge well in time to enable him to obtain necessary sanction.

28. Further to the provisions in the General Conditions of Contract, upon the Chief Engineer certifying that in his opinion, the contractor, after receiving from the Chief Engineer, a written notice,

1. has suspended progress on any portion or items of the works for seven days, or
2. has failed to make proper progress on any portion or items of the works for seven days, or
3. has failed to complete any portion or items of the works by the time specified by the Chief Engineer, or
4. has failed to remove from the site for seven days, material which have been condemned and rejected, or
5. has failed to pull down within seven days and rebuild within the time stipulated by the Chief Engineer works which have-been condemned and rejected, or .
6. has failed to give to the Chief Engineer or his representative proper facilities for inspecting the works or any part thereof for three days, or
7. has failed to carry out proper tests for three days on any work or materials,
8. has caused delay/stoppage in the Port's activities due to unplanned approach to work.

then the Trustees, without restricting, prejudice to their rights under Clause Nos. 57.1 of the General Conditions of Contract and expelling the contractors from the site of works, without determining the contract and while permitting the contractor to carry out or employ another agency to carry out at the risk and cost of the contractor,

- a. the execution of such portions or items of the works which the contractor has suspended or failed to make proper progress or failed to complete within the specified time, and/ or
- b. removal of condemned and rejected material from the site, and/ or
- c. pulling down and rebuilding of condemned and rejected works, and/ or
- d. the provision of proper facilities to the Chief Engineer or his representative for inspecting the works, and/ or
- e. testing of any work or materials,

In such cases, additional expenditure incurred, if any, by the Trustees over and above that which would have been incurred by them had above works been carried out by the contractors under the terms of this contract shall be paid by the contractor to the Mormugao Port Trust. The Trustees reserves their right to recover their additional expenditure from the moneys payable to the contractor or from deposits or such amounts that may have been lodged by the contractor with the Mormugao Port Trust for due performance of the contract under these presents. The Trustees further reserve their right to recover such additional expenditure from the moneys payable to the contractor for any other contract or transactions of any nature whatsoever existing between the Trustees and the contractors.

30. SUPPLY OF MATERIALS: No material shall be supplied by the MPT. Contractor shall make his own arrangements to procure all the materials whatsoever required for the execution of the works covered under this tender.

31. All the works should be executed during the day time. In case the contractor wishes to continue work in the night, he has to adhere to clause no. 42 of Vol-I of tender document subject to agreeing to bear the cost of overtime of Engineer and supervisory staff. And all arrangements of suitable

32. The contractor should take precautions and Hot permit should be obtained before carrying out the works. The contractor should take all provisions as stipulated and instructed by the different Port Departments such as Fire section of the Mechanical Department and the Engineers of the Engineering Civil Department.

33. The Contractors activities may be restricted or stopped by the Fire Safety section of the Marine Department when the Berth is in operation. The Contractor should liaison with the Department regarding arrival and departure time of ship and accordingly schedule its work. Contractor should comply with the instructions issued from time to time. No extra claim will be entertained for idling the plant, equipment, and labour during the period for which the work has been restricted / stopped.

34. As a statutory requirement, the contractor shall take all measures of safety against fire hazard and electrocution at site as follows: -

- a) All temporary electric supply connections will be carried out with correct sizes of wires/cables and fuses and other safety devices as required under Electricity Rules in consultation with us.
- b) One bucket full of water and sand shall be kept at the work spot. The **Portable fire extinguisher** shall be always kept at the work spot.

35. Contractor shall maintain register at site to monitor the execution of each items of work as per the specified specifications and register to maintain the records of material brought to site and the daily consumption and register/file of test reports of materials brought to site and as specified by the Engineer in charge. The register / files should be made available for inspection of the Chief Engineer or his representative whenever so desired.

36. All the materials to be used in the structure shall be conforming to relevant **ISI specifications and I.S codes** which can be referred to from C.E Dept technical library or as specified in the Tender Schedule. Contractor shall undertake laboratory test as specified in the relevant **I.S.I. codes** at the discretion of Chief Engineer and only approved materials/approved brand of materials shall be used. Suitable care should be taken to carry out **welding** as per the standard norms and I.S specifications. Additional stiffeners if required should be provided as per the discretion of Chief Engineer or his representative.

37. Measurements

The quantities provided for in the Schedule of Quantities and Rates are only approximate and are given to provide a common basis for tendering. The actual quantity may differ from those provided for in the Schedule in view of the complexity of the work. Payments will be made according to the actual quantities of work ordered and carried out, jointly measured by the representative of Chief Engineer and the contractor.

38. Rates and Prices to be inclusive.

The rates entered in the Schedule of Quantities by the contractor shall include the provision of all supporting special equipment, designed scaffolding, labour of required skill, supervision, materials, erection, overheads and profits, watch and ward, insurance charges, during execution and every incidental and contingent costs and charges, whatsoever, including sales tax on works contracts, etc. if any, for compliance with conditions of contract and specification.

39. The Tenderers are required to fill the Schedule of Quantities and Rates as stated in Directions to Tenderers for filling in the Schedule of Quantities and Rates.

The Taxes involved in the execution of Works Contract Act 1935 shall be borne by the contractor and rates quoted by the Tenderers shall be inclusive of the said tax also.

40. VALUATION OF EXTRA ITEMS OF WORKS & VALUATION OF ADDITIONS AND ALTERATIONS TO THE TENDER ITEMS

(A) VALUATION OF EXTRA ITEMS OF WORKS

The rates of extra items of work not contained in the Schedule of Quantities and Rates shall be fixed only on the following basis:

- (a) from similar items, if such items exists in the tender, or
- (b) from any comparable item, if such items exists in the tender.

If (a) and (b) are not available then,

© from MPT's Schedule of Rates or Rate Analysis and using current costs of labour and materials and with allowance of 10% on direct costs towards the contractor's profit and over head.

If (a), (b) and (c) are not available then,

{d) from actual direct cost of labour and materials consumed and with allowance of 10% towards contractor's profit and overhead.

(In such cases, rates of labour and materials and hired charge of hired plant shall be supported by vouchers).

Rates of labour and material and hired charges for plant owned by the contractor shall be fixed by the Chief Engineer.

41. VALUATION OF ADDITIONS AND ALTERATIONS TO THE TENDER ITEMS:

In the event of any modification in the work being effected in the items of work covered in the Schedule of Quantities and Rates with the prior approval of the Chief Engineer in such cases, only such modified items of work shall be revalued on the basis of MPT SOR Rate Analysis pertaining to that item of work. If the modification is effected by the contractor without prior approval of the Chief Engineer, then the Chief Engineer will be at liberty to reject the same. However, in the event of Chief Engineer's acceptance of such work, the same will be revalued on foregoing basis but the net rate arrived at will be reduced by 10%.

42. FREE MAINTENANCE PERIOD: Free Maintenance Period for the works covered under this tender will be as mentioned in the 'Tender Notice' hereinbefore.

43. MODE OF PAYMENT :

The procedure for preparation and settlement of contractor's bills is as under subject to submission of bill in quadruplicate with the Engineer's certification:

- (i) Minimum amount of Interim Certificate shall be Rs. 2,00,000/- (Rupees Two lakh only).
- (ii) 80% of the bill will be paid within 10 working days and balance 20% within 15 days there from.
- (iii) The amount of any bill can be adjusted against dues to Mormugao Port Trust on any other dealings with the Mormugao Port Trust..
- (vii) **Retention Money** will be recovered through the bills at the rate of **10%** of the amount certified in each bill, till an amount equivalent of

5% of the Contract Price is accumulated.

Secured advance against materials brought to site for permanent works will be paid to the contractor as per General Conditions of Vol-I Clause No: 54.1(b).

The Chief Engineer may sanction part rates for partly executed items of work mentioned in the Schedule of Quantities & Rates as may be deemed necessary by him.

The contractor shall submit the interim measured bills and final bill only after the measurements are checked by the concerned Engineer and Assistant Executive Engineer and after the final corrected quantities to be billed are given.

44. FACILITIES FOR WORKS OF OTHER AGENCIES:

Contractor shall take care to see that his work does not, in any way, hamper the concurrent progress of works of the other agencies in and around the existing site of work, by laying of cables or any other work, which will be awarded during currency of this contract. The contractor, shall accord all facilities to various agencies /contractors such as place for storing their material place for site office. etc. in consultation with the Site Engineer and carry out his activities in close co-ordination with all agencies.

45. The contractor should specially note that there should not be any disturbances to the MPT Staff's working in the Department and also take necessary steps to prevent noise, dust pollutions etc. in the Office.

46. The contractor shall have EPF Registration No. of the firm and shall contribute towards Employees Provident Fund (EPF) and submit the copy of the same along with the details in the prescribed format while submitting bills.

47. Price Escalation: (This clause is not applicable).

48. Mobilisation Advance: (This Clause is not applicable).

49. Arbitration: (This Clause is not applicable)

MORMUGAO PORT TRUST
ENGINEERING (CIVIL) DEPARTMENT

TENDER NO: CE/65/2016

Name of Work : Restorative Repairs to Trusses of T1 Shed in GCB area

FORM OF TENDER

The Chief Engineer,
Mormugao Port Trust.
Headland, Sada, Goa

I/We _____, do hereby offer to execute the work comprised in the annexed Tender Notice for “**Restorative Repairs to Trusses of T1 Shed in GCB Area.**” in strict accordance with the Instructions to Tenderers, General Conditions of Contract, Specifications etc. at the Percentage Rate entered in the attached Schedule of Quantities and Rates.

2. I/We undertake to complete the work included in the Schedule of Quantities & Rates within **1(One) month** from the date of release of site work order. I/We also agree that this tender will remain open for acceptance until disposed off by the Trustees of Port of Mumbai. I/We have independently considered the question of the amount of loss or damage likely to result to the Trustees from the delay on my/our part in the performance of the contract and I/We agree that the **Liquidated damages** at the rate of **(0.5%)** of the Contract Price per Week or part thereof's delay in work subject to a maximum ceiling at **5%** of the Contract Price represents a fair estimate of the loss likely to result from the delay.

3. I/We send herewith a sum of **Rs. 7,200 /- (Rupees Seven thousand Two hundred only)** as a deposit or earnest money of my/our willingness to enter into the contract if my/our tender is accepted.

4. In the event of my/our tender being accepted, I/We agree to enter into a contract in the prescribed form with such alterations or additions thereto which may be necessary to give effect to the acceptance of this tender and such contract shall contain and give full effect to the Specifications, Schedule of Quantities & Rates attached to this tender.

5. I/We also agree, if awarded the contract, that the Earnest Money lodged with this tender will be retained by the Board of Trustees towards part of the Initial Security Deposit and to make further deposit by Bankers Cheque/Demand Draft in favour of **FA & CAO, MPT, Headland Sada** payable at **Vasco-Da-Gama, Goa** by way of Bank Guarantee or by Cash and a cash receipt obtained from A.O.(Cash), **FA&CAO / MPT**, within **7 (seven)** days or such extension of the period permitted by the Chief Engineer, in writing, after receipt of information that my/our tender has been accepted by the Port Trust. The Board of Trustees will also have the option to retain the entire amount for Initial Security Deposit of 5% of the Contract Price in the form of Bank Guarantee.

6. I/We further agree, if awarded the contract, to lodge the Retention Money equivalent to **5%** of the Contract Price of my/our tender by way of deductions from my/our bills at the rate of **10%** of the gross value of work certified in each bill till the amount of **5%** of the contract price is accumulated.

7. I/we agree to abide by this tender to be valid for the period of 180 days from the date fixed for receiving/opening the same and it shall remain binding upon me/us and may be accepted any time before the expiration of that period.

8. I/We hereby certify that my/our registration certificate under the '**Goa Sales Tax** on the transfer of property in goods involved in the execution of Works Contract Act, 1985 is in force on the date on which the sale of goods specified in this bill/cash Memorandum is made by me/us and the tax under the act will be, if payable, be paid before furnishing my/our returns under the act.

9. I/We have inspected the site and I am / We are fully aware of the work to be carried out while tendering for the contract.

10. I/We request that early payment of interim bills be made from time to time in advance of such bills being audited as per tender conditions.

MORMUGAO PORT TRUST
ENGINEERING (CIVIL) DEPARTMENT

FORM OF BANK GUARANTEE FOR SECURITY DEPOSIT

SECTION 21

Annexure

Form of Performance Guarantee / Bank Guarantee Bond.
[Reference para 21.1(1)(V)]

In consideration of the Board of Trustees of Mormugao Port Trust (hereinafter called "The Board") having offered to accept the terms and conditions of the proposed agreement between Board and(hereinafter called " the said contractor(s)" for the work.....(hereinafter called "the said agreement") having agreed to production of an irrevocable Bank Guarantee for Rs.....(Rupees.....only) as a security/guarantee from the contractor(s) for compliance of his obligations in accordance with the terms and conditions in the said agreement.

1. We.....(hereinafter referred to as the "Bank") hereby undertake to (indicate the name of the Bank)
Pay to the Board an amount not exceeding Rs.....(Rupees.....only)
on demand by the Board.
2. Wedo hereby undertake to pay the amounts due and payable(indicate the name of the Bank)under this Guarantee without any demur, merely on a demand from the Board stating the amount claimed is required to meet the recoveries due or likely to be due from the said Contractor(s). Any such demand made on the Bank shall be conclusive as regards the amount due and payable by the Bank under this Guarantee. However, our liability under this Guarantee shall be restricted to an amount not exceeding Rs.....(Rupees.....only).
.....only).
3. We, the said Bank, further undertake to pay to the Board any money so demanded not withstanding any dispute or disputes raised by the Contractor(s) in any suit or proceeding pending before any Court or Tribunal relating thereto, our liability under this present being absolute and unequivocal. The payment so made by us

under this bond shall be a valid discharge of our liability for payment there under, and the Contractor(s) shall have no claim against us for making such payment.

4. We..... further agree that the Guarantee herein contained shall(indicate the name of the Bank) remain in full force and effect during the period that would be taken for the performance of the said agreement, and it shall continue to be enforceable till all the dues of the Board under or by virtue of the said agreement have been fully paid, and its claims satisfied or discharged, or till the Engineer-in-charge on behalf of the Board, it certifies that the terms and conditions of the said agreement have been fully and properly carried out by the said contractor(s), and accordingly discharges this guarantee.
5. We..... further agree with the Board that the Board (indicate the name of the Bank) shall have the fullest liberty without our consent, and without effecting in any manner our obligations hereunder, to vary any of the terms and conditions of the said agreement or to extend time of performance by the said contractor(s) from time to time or to postpone for any time or from time to time any of the powers excisable by the Board against the said contractor(s),and to forbear or enforce any of the terms and conditions relating to the said agreement and we shall be relieved from our liability by reason of any such variation or extension being granted to the said contractor(s) or for any forbearance, act of omission on the part of the Board or any indulgence by the Board to the said contractor(s) or by any such matter or thing whatsoever which under the law relating to sureties would, but for this provision have effect of so relieving us.
6. This Guarantee will not be discharged due to the change in the constitution of the Bank or the contractor(s).
7. We..... lastly undertake not to revoke this Guarantee except with (indicate the name of the Bank) the previous consent of the Board in writing.
8. This Guarantee shall be valid up tounless extended on demand by the Board. Notwithstanding anything mentioned above, our liability against this Guarantee is restricted to Rs.....(Rupees.....), and unless a claim in writing is lodged with us within six months of the date of expiry or extended date of expiry of this Guarantee all our liabilities under this Guarantee shall stand discharged.

Dated the.....day offor
